## GAFFNEY LIBRARY

February 1, 1926 to February 1, 1927

The Library has been open three days a week throughout the year, afternoons and evenings, and on Sunday afternoons in the Winter Season.

At the March town meeting it was voted to discontinue the old town Library known as the "Wakefield Free Library". This gives us one organization which simplifies the work of administration.

The circulation for the year was 7706, an increase of 2669 over last year's record. The division by classes is as follows:

Fiction	4043
Juvenile	2500
Magazines	742
Non-fiction	421

The attendance has been 7357. Average for weekdays 68, and for Sundays 11. The number of books added during the year was 344. A great many of these books were gifts. Through the kindness of Bishop Dallas a very fine collection of books was sent from the young people of the Church of Our Saviour at Longwood, Mass. Other large gifts were from Miss Marjorie A. Farnham, Mr. George Smith and the Public Library of Newark, N. J.

Our reading table has been supplied with 26 of the current magazines. We have also The Carroll County Independent, The Granite State News and The Congressional Record.

The number of borrowers recorded for the year is 386; of this number 147 are from out of town.

During the summer Miss Katherine Litch, a trained Librarian gave us good help on the catalog. Miss Barbara Lang worked with Miss Litch.

Miss Marjorie Hatch has been the regular assistant

throughout the year. Since the first of November Miss Elizabeth Tucker has been doing regular work and Miss Helena Houde has been a substitute worker.

The Summer people are using the Library more and more as time goes on and seem to appreciate the privilege of the reading room.

A typewriter has been purchased for our work. It is a great help.

The death of Mr. William M. Sanborn in October means a loss to the Library. Mr. Sanborn was Treasurer of the Board of trustees and a faithful worker.

CLARA M. GARVIN,  
Librarian.

## SUPERINTENDENT'S REPORT

*To the School Board of Wakefield:*

Gentlemen,—I herewith submit to you, and through you to the citizens of the town, my eighth annual report as superintendent of the schools of Wakefield.

The table of general statistics relating to the schools follows.

## STATISTICS FOR YEAR ENDING JUNE 30, 1926

School	Teacher	Total No.	Enrolled	Average Membership	Average Attendance	Per cent of Attendance	Number of Tardinesses
Union Primary	Lillian Davis	20	17.66	16.31	92.35	11	
Union Grammar	Blanche H. Barbour	21	17.91	17.25	96.31	0	
Sanbornville 1 and 2	Abbie F. Tuttle	39	33.83	32.65	96.51	48	
Sanbornville 3 and 4	Flora P. Brackett	26	23.19	22.74	98.06	27	
Sanbornville 5 and 6	Florence Thackleberry	32	26.75	25.88	96.74	15	
Sanbornville 7 and 8	Ruth A. Hutchinson	24	22.11	21.42	96.87	6	
Wakefield Corner	Reita M. Nelson	25	19.17	17.26	90.03	12	
East Wakefield	Mildred Hazeltine	26	22.84	21.11	92.42	6	
Totals and averages		213	183.41	174.25	95.01	125	

The per cent of attendance as shown in this table is excellent. The average for the state is 94.63.

The small number of instances of tardiness is also excellent, amounting to only six-tenths of one per cent per pupil of average attendance. I believe that this can be improved in Sanbornville by better co-operation of parents of pupils in the lower grades.

The following pupils have not been absent nor tardy for one or more terms and, following the custom of several years, have been placed upon the roll of honor:

## ROLL OF HONOR FOR PERFECT ATTENDANCE

During the summer it was necessary to procure three new teachers to fill vacancies. Mr. George A. Doe, a graduate of Bates College, was placed in charge of grades seven and eight at Sanbornville; Miss Valna I. Lover, Keene Normal School 1926, has succeeded Miss Nelson at Wakefield Corner; and Mrs. Francse S. Ross has returned to East Wakefield School after an absence of one year..

The exterior of the Grammar School building at Sanbornville has been painted. New heaters have been installed at Wakefield Corner and East Wakefield. Some interior painting has been done at Union. Slate blackboards have been placed in the Union building and in the primary building at Sanbornville to take the place of the badly-worn hylo-plate boards installed when these buildings were erected.

All buildings are now in good condition. Hereafter one building should be thoroughly renovated each year.

The others will require only such attention, as will be covered under the head of minor repairs.

Health work in the schools was under the direction of Mrs. Anna E. Clow until Jan. 1, 1926. Since that time Mrs. Agnes T. Weeks, R. N., has been in charge of this work. Her report will follow.

At the time this report is written, a dental clinic is being held at Sanbornville. It is hoped that many children in need of dental treatment will be benefitted by this clinic. An opportunity is offered for them to have dental work done at reduced rates, and the Red Cross is ready to give some assistance in case of need.

Respectfully submitted,  
FRED W. DUDLEY,  
Superintendent of Schools.
